Shockwave Holesaw Set 22 / 29 / 35 mm | SHOCKWAVE™ Impact Duty™ holesaws

- 8 Tpi = smooth burr free holes.
- Thin wall - 0.6 mm thick = less resistance.
- Shallow cup optimised for drilling thin metal.
- 1/4″ Hex shank = impact driver compatible.
- Stop shoulder prevents over drilling.
- 8% Cobalt Bi-Metal for best durability and lifetime.
- Ejection spring auto ejects slugs.
